

TEAM LEAD MAINTENANCE

WESTERN REGION – CLOSING DATE: APRIL 30, 2018

COMPETITION NUMBER: NPJP-2018-15323

Are you ready to explore an exciting career in a fast-paced, high-performance environment?

If you are seeking a challenging and rewarding career with room for continuous advancement and a competitive compensation package, have we got an opportunity for you! We are looking for a highly motivated team player with a strong commitment to safety and customer service, an excellent work ethic, and effective interpersonal and communication skills.

As a valued member of our Operations Team, you will be responsible for: maintenance and operation of the Company's substation and generation assets in Western region; providing direction and guidance to electrical and plant maintenance staff and contractors; monitoring substation and generation groups to ensure all maintenance business processes are followed; and, planning and scheduling priority of work identified during inspections.

You hold a Journeyman Industrial Electrician certificate or a diploma in Electrical Engineering Technology and have extensive experience in the construction, operation and maintenance of electrical systems. In addition, you have a broad knowledge of operating procedures, standards and codes, and demonstrate strong safety leadership. You have the ability to plan, lead and execute multiple projects to promote efficient utilization of resources and meet deadlines. As well, you have a genuine interest in developing people and have demonstrated excellent interpersonal, motivational, and coaching skills. Previous supervisory and project management experience and computer skills are an asset. There is a residency requirement for this position and the successful applicant may work out of the Grand Falls-Windsor, Corner Brook or Stephenville office.

Apply online at newfoundlandpower.com/en/About-Us/Careers/Career-Opportunities. We thank all applicants for their interest but only those selected for an interview will be contacted.

**WHENEVER. WHEREVER.
We'll be there.**
