

ENERGY CONSERVATION PROGRAM SPECIALIST (TEMPORARY)

ST. JOHN'S— CLOSING DATE: JUNE 29, 2018

COMPETITION NUMBER: NPJP-2018-16990

Are you ready to explore an exciting career in a fast-paced, high-performance environment?

If you are seeking a challenging and rewarding career with room for continuous advancement and a competitive compensation package, have we got an opportunity for you! We are looking for a highly motivated team player with a strong commitment to safety and customer service, an excellent work ethic, and effective interpersonal and communication skills.

As a valued member of our takeCHARGE Team, you will play an integral role in development and implementation of energy conservation programs. Your key responsibilities include: developing, implementing and delivering energy conservation programs for residential and business customers; evaluating the effectiveness of programs, processes, tools and systems, and making modifications and improvements to energy conservation programs; maintaining knowledge of local, national and industry trends and legislation regarding energy conservation technologies and programs; and, fostering strong community, retail and industry partnerships that support energy conservation objectives.

Your qualifications include a Bachelor's degree, or a related discipline supplemented with relevant experience. Your keen interest in energy efficiency and demonstrated aptitude for program development and delivery is essential. Your proven ability to generate results, manage multiple projects, build strong partnerships and meet tight deadlines is a must. You are a creative, motivated individual with strong analytical and organizational skills who communicates effectively and thrives in a team environment. Previous project management experience is a definite asset.

Apply online at newfoundlandpower.com/About-Us/Careers/Career-Opportunities referencing the location you are interested in applying for. We thank all applicants for their interest but only those selected for an interview will be contacted.

WHENEVER. WHEREVER.
We'll be there.
