

POWERLINE TECHNICIAN APPRENTICE

CARBONEAR – CLOSING DATE: MARCH 11, 2021

REFERENCE NUMBER: NPJP-2021-32912

Are you ready to explore an exciting career in a fast-paced, high-performance environment?

If you are seeking a challenging and rewarding career with room for continuing advancement and a competitive compensation package, have we got an opportunity for you! We are looking for a highly motivated team player with an excellent work ethic, and effective interpersonal and analytical skills.

As a valued member of our Operations team, your primary responsibilities will include: framing poles, stringing conductor, replacing fittings and conductor; and, other related work specific to the grade level for the Apprentice.

Your qualifications include the Powerline Technician (Operating) Certificate and a minimum of one-year work experience in the trade. You must hold a valid driver's license.

At Newfoundland Power, we accept and celebrate our differences. We are committed to fostering an inclusive and diverse workplace which reflects the communities we serve. A place where everybody is able to bring their whole selves to work and reach their full potential. We strive to ensure each team member feels valued, respected and supported.

We encourage applications from diverse candidates and will provide support to applicants during the recruitment process. If you require accommodation for any reason during the interview process, please let us know your needs which will be kept in confidence.

Apply online at newfoundlandpower.com/en/About/Careers/Career-Opportunities.

We thank all applicants for their interest but only those selected for an interview will be contacted.

WHENEVER. WHEREVER.
We'll be there.
